ATHLETICS AND ACADEMICS TEAM UP FOR THIRD STRAIGHT YEAR AT UCLA

UCLA's "thrill of sport and advancement of education" program is still undefeated, untied and unequalled in all athletics.

During 1962 the Bruin Department of Intercollegiate Athletics continues its happy marriage of athletics and academics by awarding five $1000 Graduate Fellowships from proceeds of five 1962 home football games for deserving students at UCLA. The Graduate Division has selected the following five departments or schools to be individually honored at the Bruins' Los Angeles Coliseum games this fall: the Department of Classics at the Ohio State game, the Department of Italian at the Colorado State game, the Latin American Studies Center at the Stanford game, the School of Library Service at the Air Force Academy game and the Near Eastern Center at the Syracuse game.

To a selectee of each department or school will go a $1000 Fellowship Award. Last season, Theater Arts, Music, Art, Oriental Languages and Slavic Languages Departments were signally honored. In 1960, the first year of this exciting venture that combined "the thrill of sport with the advancement of education," the five honored departments were English, French, Germanic Languages, Philosophy and Geography.

We believe that continuation of the Athletic Department's Graduate Fellowship Program gives the desired assurance that the University's 1962 academic and athletic challenges will be met with the same sense of purpose, ingenuity and spirit that has characterized UCLA men and women in all fields and all years.

THE 1962 BRUINS

RETURNING VETERANS—22 returning lettermen from 1961, including 2 ends, 2 tackles, 5 guards, 3 centers, 2 quarterbacks, 6 halfbacks, 2 fullbacks and 1 returning 1960 letterman at end. Of these, 11 are two-year veterans. Major position changes will occur due to the switch from the Single Wing to the T-formation. Ezell Singleton and Rob Smith move from tailback (left half) to quarterback; Jim Bergman from blocking back (quarterback) to center and linebacker; John LoCurto from blocking back to left half; Joe Bauwens, who split his duties last year between left guard and right tackle, to right guard; and John Walker from blocking back and linebacker to left guard but will still back the line. The 1960 returnee is Jim Stanley, who will go defensively at either end. Only one full-time regular is returning. He's wingback (right half) Kermit Alexander, who started all 11 games. Seven other part-time starters are back, including right tackle Phil Oram, 4 games; left end Mel Profit and fullback Mitch Dimkich, 3 games each; left tackle Tony Fiorentino and right guard Dave Stout, 2 games each; and left half Mike Haffner and left guard John Walker, 1 game each. The most honored among the returnees is Haffner, who was first in AAWU rushing, second by only 9 yards in total offense and runner-up in scoring to teammate Bobby Smith. He made AP All-America honorable mention and second team All-Coast and All-AAWU. Haffner, incidentally, missed most of spring practice because of injuries. Another top returnee is Alexander, No. 1 UCLA pass receiver who also was first in kickoff returns and second in punt returns in the conference. This versatile back, who goes both ways, was second team All-AAWU and voted UCLA's best blocker and tackler. As Alexander was excused from Spring practice to compete in track, it is not known definitely where he'll play in the backfield this fall. Wherever he winds up, he is a key man in the 1962 Bruin plans. Other top returnees include Profit, who has the potential to be a great all-around end; Andy Von Sonn, who looms as another in long line of great Bruin centers and linebackers; and Walker, a hard-nosed competitor who is tabbed as an especially outstanding linebacker.

LOSSES—15 lettermen, including 3 ends, 4 tackles, 2 guards, 1 center, 1 blocking back (qb), 2 tailbacks (lh), 1 wingback (rh), 1 fullback. Of these 12 were starters, including 10 of the 11 regulars who started the 1962 Rose Bowl game. Chief losses were All-America center Ron Hull and All-Coast tailback Bobby Smith, the top offensive leader and scorer in the AAWU. Also missed will be All-Coast and All-AAWU second team tackles Marshall Shirk and Foster Andersen. Other honored players who graduated are end Don Vena, guards Frank Macari and Tom Paton, All-AAWU second team selections. In addition, gone are Fullback Almose Thompson and end Tom Gutman, both of whom won All-AAWU honorable mention. Tackle Steve Bauwens, end Chuck

Hicks, halfbacks Keith Jensen and Joe Rosenkrans, quarterback Bob Stevens and right tackle reserve Bob Weeden round out the losses.

PROMISING SOPHS—It is the same old story. Only a limited number of sophs up from the frosh team figure to be ready to help in their varsity year. The Bruins' 1962 soph crop includes a pair of promising tackles, a position where help is vitally needed with only two veterans back. They are Kent Francisco, who was hurt as a 1960 frosh and didn't play last year, and Randy Schwartz, who starred as a yearling last year and also impressed in spring drills. Both have good size, with Francisco standing 6-2 and weighing 235 and Schwartz at 6-3 and 230. Other sophs to watch are Larry Zeno at quarterback, John White and Mike Palenchar at left half and Gary Callies at right half. However, they may be all a year away.

OFFENSE—UCLA will come up with a versatile offense in '62. Coach Bill Barnes will retain the best of his own brand of Single Wing and utilize the varied strengths of the T-formation. The new formation will be a balanced-line "Winged T" type of attack which also will flank the right halfback and split the left end.

PASSING—The Bruins' passing attack should be improved in '62. Two-year letterman Ezell Singleton is the most experienced passer, but must prove himself this fall. After all, he missed the entire Spring drills because of playing baseball. However, he's the only candidate with varsity aerial experience, having completed 9 of 18 throws for 110 yards and no TD's last year. Newcomer Carl Jones, up from the "Redshirts," looms as the man to beat out at the QB spot. He impressed as a "good" passer in Spring practice but, of course, must prove himself under game fire. Soph Larry Zeno is a good long passer but must sharpen up his short throws. Two-year vet Rob Smith, who didn't play enough to letter as a soph and played mostly at wingback last year, is still a question mark in the passing department. However, the Bruins have two fine receivers in Kermit Alexander and Mel Profit. Alexander was the team's No. 1 receiver last year with 14 catches for 297 yards and 1 TD. Profit, who was used mainly on defense last year, has the size and talent to become a prime target in '62. He caught two brilliant TD passes in the final Spring game.

RUNNING—The T-formation will provide changes in the rushing department. Like all good football teams, UCLA will remain basically a running team. The Bruins have two fine runners in left half Mike Haffner and versatile Kermit Alexander, who was excused from Spring practice to compete in track and so it won't be decided until fall whether he'll play at halfback or

THE 1962 BRUINS

(Continued)

fullback. Haffner also missed most of the off-season drills because of minor injuries. Both Haffner and Alexander figure to operate effectively in the "T." Although he now can concentrate mainly on running, Haffner will still be used in the running-pass series. He was the Bruins' top rusher last year, gaining 703 yards in 112 carries for a 6.27 average and eight TD's to become UCLA's greatest sophomore ground gainer in history. Alexander combines both speed and power and looms as an outstanding running back no matter where he winds up in the backfield. Last year, he averaged 5.32 yards on 40 carries. Carl Jones indicated in Spring practice that he's a good ball carrier from the T-QB spot. Ezell Singleton has good running ability but lack of speed ofttimes hurts. Rob Smith is another QB candidate who runs with authority but also lacks speed. Other veterans with some running ability are Mitch Dimkich and Joe Zeno, senior fullbacks who enjoyed good Spring drills, and Carmen DiPoalo at right half. Newcomers like John White and Mike Palenchar, both up from the frosh, also may help in the rushing department.

FROM TACKLE TO TACKLE—The Bruins will field a strong first team line from tackle to tackle, but must get some come-through performances from promising newcomers to acquire sufficient depth and size up front. There isn't a single full-time line starter returning. Gone are such standout first stringers as All-America center Ron Hull, guards Frank Macari and Tom Paton and tackles Marshall Shirk, Foster Anderson and Steve Bauwens. Coming back are such promising vets as Andy Von Sonn at center, John Walker, Dave Stout and Joe Bauwens at guards and Phil Oram and Tony Fiorentino at tackles. But then the newcomers must, for the most part, take over and develop. For example, Fiorentino and Oram are the only vets back at tackle and sophs like Kent Francisco, Randy Schwartz and Jack Reed must come through.

THE ENDS—The Bruins lack depth and experience at ends, especially at right end where a 1961 third stringer who played briefly, Dave Gibbs, looms as the starter. On the left side the Bruins, of course, have a brilliant returnee in Mel Profit, who has the size (6-5, 215) and ability for "All" honors. There are two other vets at end, but one of them, Al Geverink, was being tried at right half last Spring. However, this promising gridder may return to end. Jim Stanley, who lettered in 1960 but didn't play last year, is the other vet. A hard-nosed performer, he'll probably be used mainly on defense. Off spring practice, the four most promising sophs include Gale Hickman and Jim Arens behind Profit and Bob Luecke and Don Francis behind Gibbs and Stanley.

THE 1962 BRUINS

(Continued)

THE OUTLOOK—Coach Barnes admits UCLA has some good football players, but then quickly adds the Bruins are, in the overall analysis, young and inexperienced. "We aren't as strong as last year," he opines. "We have the nucleus of a good first team, but we must develop depth and give the newcomers the greatest amount of experience in the shortest possible time." Barnes believes his Bruins have the least experience of any of the Big Five teams, having only one full-time starter returning from their 1962 Rose Bowl opening lineup. He tabs the other AAWU members as all greatly improved over last year. In other words, the Bruins are definitely "darkhorses" in the coming AAWU race and must get the breaks and come-through performances to continue their winning ways.

FOURTH SEASON AT HELM

WILLIAM F. "BILL" BARNES
Head UCLA Football Coaech

BILL BARNES' head coaching record at UCLA proves he's not only a winning football mentor but also a progressive and forward-looking one, a coach who in three seasons at the Bruin helm has become recognized as one of America's finest football coaches.

For the past three seasons, he has turned out winning teams which have won 19 games, lost 10 and tied 2 for an impressive .645 percentage against the toughest of major opposition.

Last season, his Bruins won the undisputed AAWU (Big Five) championship and a bid to the Rose Bowl. In 1959, his Bruins tied for the Big Five crown with Washington and USC, all with 3-1 records, but the Huskies got the bowl bid. His 1960 team not only posted an impressive 7-2-1 record, including a spectacular victory over Duke's Cotton Bowl champions-to-be in the season finale, but also featured one of the country's flashiest attacks paced by All-American Bill Kilmer, the nation's total offense leader, at tailback.

Now in this 1962 campaign, his fourth at UCLA, Barnes will switch from the Single Wing to a versatile T-formation offense to open a new Bruin grid era after 13 years of Single Wing football. However, Barnes will definitely retain some features of the Single Wing.

Barnes stresses that the same "rock and sock" play will continue and there will be no reduction in the use of fundamentals—blocking and tackling—that in the final analysis win most football games. The new system, primarily, will make it possible to insert the best passer with the best runners into the lineup at the same time.

The '62 season is Barnes' 18th year in the football coaching profession—one as a freshman assistant at University of Tennessee, his alma mater; four as end coach and scout at University of Arkansas; eight as a top assistant at UCLA; one as first the senior aide and then acting head coach at UCLA in 1958; and now he's in his fourth year as the Bruin boss.

He also has served with distinction in major post-season games. Following the Rose Bowl game last January, he was the head coach of the West team in the Hula Bowl in Honolulu. He has served as both head coach (1960) and a staff member (1959) of the West team in the East-West Shrine game in San Francisco.

Barnes, who came to UCLA in 1950 as end coach and head scout, was officially signed in December, 1958, as UCLA's ninth head football coach.

Bill was a versatile gridder at Tennessee under the late and great Gen. Bob Neyland, having played both in the line and backfield. As a senior in 1939, he was an end.

Although born in Missouri, he lived most of his life

in Tennessee and graduated from the University of Tennessee in 1941.

He served in the Army (1942-46) during World War II and was honorably discharged with the rank of Major. While in the service he was awarded the Legion of Merit, Silver Star and Bronze Star. After leaving the Army, Barnes was signed by Arkansas as an assistant coach. Coaching there was very pleasurable to Bill, because that is where he met his charming wife, Frances.

THE STAFF

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Senior Assistant

This is the 17th straight season that Bill Barnes and Deke Brackett have been coaching associates, including four at Arkansas (1946-49) and now 13 at UCLA. Deke is now in his fourth season as Bill's senior assistant, a position which entails additional staff work besides his backfield coaching duties.

Also like Barnes, Brackett is a Tennessee alumnus. After prepping at Knoxville (Tenn.) High, he entered Tennessee and won honorable mention on the late Grantland Rice's 1931-32-33 All-American teams as a quarterback. He graduated in 1934 after serving as student body president during his senior year.

Deke also has coached at Tennessee (1935-36), The

Citadel in Charleston, S.C. (1937-38) and Hampden-Sydney College in Virginia (1939-40). After a four-year stint in the Navy (1942-46), from which he was discharged as a lieutenant commander, he was signed by Arkansas as a backfield coach and also head baseball coach.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 21, now a senior at UCLA, and Sallye, 14.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Assistant

Johnny Johnson is now in his 13th season on the UCLA staff, including eight years (1950-57) as the head frosh coach and now in his fifth on the varsity staff as a backfield mentor.

His 1955 Brubabes were the first and still the only undefeated and untied freshman football team in UCLA history.

After prepping at Bakersfield (Calif.) High where he won All-San Joaquin Valley honors as a back, Johnny came to UCLA and captained the 1939 frosh gridders. He then missed a year of competition but returned as a Bruin fullback in 1941. In the Naval Air Corps from 1942-46, he was discharged as a lieutenant. He returned to UCLA and played on the Pacific Coast Conference championship and Rose Bowl team of that season as a fullback.

He's still a very eligible bachelor.

SAM BOGHOSIAN—(UCLA '56)
Assistant

This is Sam Boghosian's sixth season on the UCLA staff, his fourth as the Bruin's head line coach.

After serving as an assistant freshman coach for two seasons (1955-56), Sam was named to the varsity staff in 1957 and has been an important member ever since.

After prepping at Fresno (Calif.) High where he was an All-City lineman for two years and also won All-Northern California acclaim, Sam same to UCLA and went on to more stardom (1951-54) in both football and rugby. He topped an outstanding Bruin career by winning All-Coast honors as a guard on UCLA's undefeated and untied Pacific Coast Conference and national championship team of 1954. As a junior, he started at left guard in 1954 Rose Bowl game.

Sam, 30, is married to the former Judy Busch and they are the proud parents of a husky young son, John James, 1.

ROBERT L. "BOB" BERGDAHL—(UCLA '57)
Assistant

This is Bob Bergdahl's fifth season on the Bruin

staff, his fourth as a varsity aide, after serving as the head frosh mentor in 1958. He's the end coach and also directs the scouting of UCLA opponents.

After prepping at Fairfax High in Los Angeles where he starred in both football and track, Bob became one of UCLA's all-time best blocking backs (quarterback) for his varsity play during the 1954-55-56 seasons. He was the 1953 frosh team captain. Besides winning All-Coast honorable mention, he was voted the N. N. Sugarman Trophy for "best spirit and scholarship" among the 1956 Bruins. He also starred in rugby at UCLA for four years. As a junior, he played in 1956 Rose Bowl game.

His father, Len Bergdahl, was a great UCLA quarterback in 1930-31-32. Bob, 26, is married to the former Judy Berry and they have two children, a daughter, Jill, 4½, and a son, Bobby, 2½.

DANIEL E. "DAN" PETERSON—(UCLA '58)
Assistant

Dan Peterson is in his fifth season on the varsity staff and works with the centers and linebackers and also scouts.

Dan, whose playing weight fluctuated between 158 and 161, was rated the most outstanding football lineman pound-for-pound on the Pacific Coast in his senior year (1957) at UCLA. A center and linebacker, he also lettered in 1955 and '56. Besides winning All-Coast honorable mention, Dan won the Los Angeles Bruin Club trophy as the 1957 Bruins' "most outstanding senior." He also starred in rugby three years. As a soph, he suited up for 1956 Rose Bowl but didn't play.

His identical twin brother, Dave, also played at UCLA, winding up his three-year career as a blocking back in 1958. Dave is now an assistant football coach at Citrus (Calif.) JC. Both the Petersons prepped at Santa Monica (Calif.) High where they both won All-CIF honors.

Dan, 26, is engaged to Miss Joanne Johnson from Groton, South Dakota, and they will be married this December.

JAMES R. "JIM" DAWSON—(UCLA '59)
Assistant

Jim Dawson is now in his fifth year on the Bruin staff as the coach of the tackles and he's also a scout.

Even though handicapped by injuries, he's still rated one of the Bruins' finest all-time tackles off his play in 1956-57-58. He served as varsity captain in his junior year and alternate captain in his senior year which ended abruptly in the opening game because of a shoulder injury. Shortly afterward, however, he was added to the varsity staff that same 1958 season.

He prepped at Van Nuys (Calif.) High where he

played at several positions, including T-formation quarterback. He then came to UCLA and immediately established himself at tackle. He won All-Coast honorable mention as a junior and appeared certain to win more "All" acclaim as a senior.

Jim, 25, is married to the former Colleen O'Sullivan and they have two children, a son, Daniel, 4, and a daughter, Shannon Colleen, 2.

JOHN W. "JOHNNY" HERMANN—(UCLA '56)
Head Freshman Coach

Johnny Hermann is not only the head freshman coach but also coaches the varsity offensive ends and helps with the scouting. This is his fourth year on the staff and he boasts a solid three-year frosh record of 9-5-2.

Hermann succeeded Bob Bergdahl as the Brubabe boss in 1959 after serving as a part-time assistant frosh mentor in 1957 and '58. Prior to that he played with the Baltimore Colts for one season (1956).

Johnny starred on UCLA's 1953-54-55 championship teams, first as a wingback (right half) for two years and then as an end, the same position in which he won All-Los Angeles City honors at San Fernando (Calif.) High. He also starred in baseball and rugby. In fact, in both 1955 and '56 he was named to the All-California Intercollegiate Baseball Assn. second teams as an outfielder. As a soph, he played at wingback in 1954 Rose Bowl game and as a senior he started at left end in 1956 Rose Bowl game.

Hermann, 28, is still a bachelor.

OHIO STATE UNIVERSITY (Game at Los Angeles Coliseum, Saturday, Oct. 6, 1:30 p.m., PDT).

Location: Columbus, Ohio
Conference: Big Ten

Hayes' All-Time Record: 105-34-6
Sports News Director: Wilbur E. Snypp
1961 Football Record: Won 8, Tied 1

UCLA all-time record against Ohio State: 0-1
Widest margin of victory for Ohio State: 10 points (13-3 in 1961)

The Buckeyes, defending Big Ten champions will come right back with another powerhouse that could match last year's 8-0-1 record. The Bucks will be seeking their fifth Big Ten title in 12 seasons under coach Woody Hayes. In pre-season forecasting the Bucks are ranked either first or second.

Big loss was the departure of bruising Bob Ferguson, All-America fullback.

But Hayes has enough lettermen—22—plus incoming talent to again employ the platoon system as much as rules allow. The strongest positions are tackle, halfback and quarterback.

Offensive tackles Bob Vogel and Daryl Sanders are so outstanding that both are being boomed for All-America recognition. Three experienced quarterbacks return, led by Joe Sparma, who took charge at the middle of last season. Bill Mrukowski and John Mummey are also top-flight signal callers and passers.

Paul Warfield and Bob Klein, two light but flashy halfbacks, are the Bucks' explosive threats. Warfield, who sprints, hurdles and broad jumps on the track team, is especially speedy. He placed second in NCAA broad jump with 25-7½ leap.

Besides tackles Vogel and Sanders, big guns on the line are linebacker Gary Moeller and center Billy Armstrong. Armstrong was All-Big Ten in '61.

Other returning lettermen include ends Ormonde Rickets, Dick Van Raaphorst (a top place-kicker), Matt Snell (shifted from halfback) and Bob Middleton; tackle Dick Laskoski; guards Rodney Foster, Tom Jenkins, Ray Krstolic, Wes Mirick and Wayne Betz; halfbacks Ken Johnson and Bill Hess (All-America outfielder on baseball team) and fullback Dave Katterhenrich.

Head Coach: Milo R. "Mike" Lude
Lude's All-Time record: First year as head coach
Sports News Director: Dick Smelser
1961 Football Record: Won 0, Lost 10
Returning Lettermen: 23

UCLA all-time record against Colorado State: This is first game.

Mike Lude, 39, a disciple of Dave Nelson at Delaware, inherits the task of rebuilding Colorado State's football fortunes. He brings a young staff with drive and determination to end the Rams' victory drought of 16 straight. He will use the Wing-T attack.

To meet this stern challenge, Lude has 23 lettermen, some fairly promising sophomores, transfers and non-lettered squadmen. Several veterans were changed in position during spring practice and Lude also uncovered some strong prospects among the previously unsung holdovers.

Most notable of the position swtches were Bill Wrenn and John Christensen to quarterback. Wrenn was the regular fullback in 1961 while Christensen, a transfer, formerly played halfback.

Roy Schubert, who lettered at QB last fall, will operate out of a halfback spot where his speed can be utilized. He was the nation's 10th ranked punter in '61 with a 40-yard average.

Another move finds John Cook, a 2-year regular at center, now at guard.

One of the top discoveries on the squad is halfback Ken Cullars, who failed to letter last season. He was the team's fastest and hardest-running back during spring drills.

Among the returnees are 13 players who were regulars or semi-regulars last year. They include Wrenn, Cook, center Hiram DeFries, guard Purdom Thomas, tackles Curtis Threatt and Doug York, ends John Nelson and Ted Olson, fullback Ish Ransaw, halfbacks Ron Kaanehe, Ken Hines and Alex Humackich and quarterback Bill Berringer. Threatt and York were voted the team's best linemen last year.

With the Skyline Conference disbanded, Colorado State will play as an independent this season.

UNIVERSITY OF PITTSBURGH (Game at Pitt Stadium, Saturday, Oct. 20, 1:30 EDT)

Location: Pittsburgh, Pa.
Conference: Independent
Enrollment: 5,200
Colors: Blue and Gold
Nickname: Panthers
University President: Chancellor Dr. Edward H. Litchfield
Athletic Director: Frank Carver
Head Coach: John P. Michelosen
Michelosen's All-Time Record: 36-31-5
Sports News Director: Carroll H. "Beano" Cook
1961 Football Record: Won 3, Lost 7
Returning Lettermen: 22

UCLA all-time record against Pittsburgh: 2-2
Widest margin of victory for UCLA: 14 points (20-6 in 1961)
Widest margin of victory for Pittsburgh: 21 points (27-6 in 1958)

Pittsburgh should be considerably stronger than last year's disappointing club. Coach John Michelosen is especially well stocked at quarterback, where he picks the three who shared the spot last year plus Fred Mazurek, a prep All-American who sparkled on the frosh team.

Jim Traficant, Sam Colella and Paul Martha all will be available at the signal calling job. There is a good possibility Martha, who has tremendous speed, will be shifted to right halfback.

The Panthers are also solid at fullback, with Rick Leeson returning. Last year this solid socking 194-pounder gained more yardage than any Panther soph back in 24 years.

Veterans Pete Bailey and Ed Clark are battling it out for the starting left half position and they may be joined by Mazurek due to the surplus of QB talent.

Standouts on the line are the tackles, Ed Adamchik (220) and Gary Kaltenbach (233). Several promising sophomores will be their chief replacements.

With a shortage of experienced end material, newcomers Bill Howley and Ron Robson may take over the starting berths.

All told, Pitt has 22 returning lettermen and should have a winning season. Coach Michelosen will count heavily on his fast, versatile backfield.

Incidentally, this Pitt-UCLA series has now become one of the most exciting and important East-West intersectional rivalries in college football. They've met the last four years and are now deadlocked at two victories apiece, with the Panthers winning in 1958 and '59 and the Bruins evening the series by winning the last two seasons. They'll continue their gridiron feuding next year, 1964 and '66. They aren't slated to meet in '65.

STANFORD UNIVERSITY (Game at Los Angeles Coliseum, Saturday, Oct. 27, 1:30 p.m., PDT).

Enrollment: 9,244

Nickname: Indians or Cardinals
University President: Dr. J. E. Wallace Sterling
Athletic Director: Alfred R. Masters
Head Coach: Jack Curtice
Curtice's All-Time Record: 93-80-7
Sports News Director: Don E. Liebendorfer
1961 Football Record: 4-6
Returning Lettermen: 28

UCLA all-time record against Stanford: W-15, L-16, T-1

Widest margin of victory for UCLA: 72 points (72-0 in 1954)

Widest margin of victory for Stanford: 82 points (82-0 in 1925)

There's no doubt that Stanford should field its strongest football team in many years, a team capable of going all the way in the Big Five race. The Indians boast of depth, experience and size for the '62 campaign.

Coach Jack Curtic has 28 returning lettermen to work with, including seven regulars from the 1961 campaign. In addition, the better than average freshman squad from last fall is expected to make a strong contribution.

Heading the list of returnees is fullback Ed Cummings, who was voted the team's most valuable player. The other 1961 starters are halfbacks Gary Craig and Danny Spence; ends George Honore and Frank Patitucci and tackles Frank Atkinson and C. B. Simons.

There will be a battle royal for the starting quarterback spot among at least three condidates—lettermen Jim Smith and Steve Thurlow and sophomore Dick Ragsdale. Smith and Thurlow were sidelined much of last season with injuries. But Smith came off the bench to spark Stanford's 20-7 victory over California in the Big Game. Ragsdale was a standout on the strong 1961 freshman team and impressed during spring practice.

Other returning monogram wearers are Tom Burke, Chris Jessen, Chuck McCormick and Steve Pursell, ends; Chuck Buehler, Al Hildebrand and Randy Vahan, tackles; Frank Dubofsky, Marv Harris, Wayne Pavlic and Steve Player, guards; Jim Price, quarterback; Tyce Fitzmorris, Tim Hansel, Stan Lidskog, Gary Sargent and Jim Schroyer, halfbacks and Ken Babajian and Tony DeLellis, fullbacks.

Thus the Indians appear reasonably deep at every position except center. Chris Cottle and John Butler, last year's two top pivot men, have completed their eligibility. There should be considerable experimentation before this position is settled.

UCLA all-time record against California W-16, L-15, T-1

Widest margin of victory for UCLA: 47 points (47-0 in 1955)

Widest margin of victory for California: 35 points (35-0 in 1950)

Coach Marv Levy has gone back to the balanced-line Wing-T attack, giving up the split-end system he used in 1961, and appears to have the backs and ends to make it go. The Bears look mighty tough in '62 and could be a powerful factor in the Big Five pigskin derby.

Strongest spot is at the all-important quarterback position, where Craig Morton, one of the most heralded sophomores in Bear hisory, moves in to challenge veterans Larry Balliett, the team captain, and Randy Gold. Morton, at 6-3½ and 210, is rated good enough to take over even from these talented players.

The Bears also pick up speed at halfback with lettermen Alan Nelson, Rudy Carvajal and Jon Mason all returning. Valuable experience is also available at the ends in Ron Vaughn, Bill Turner, Loren Hawley and Clark Ransome.

All told, Cal has 20 returning lettermen. Among the strongest contenders for the other starting berths are Jim Anderson, shifted from fullback to guard; tackles Lauren Bock, Manuel Penaflor and Mel Piestrup; guards John Erby and Roger Stull.

Several other sophomores up from the undefeated 1961 freshman team are expected to bid for the starting line-up. Included are halfbacks Tom Blanchfield, Tyrone Price, Dennis Peacock and Greg Palamountain; end Bill Krum and tackle Jim Pinson. Ron Calegri, a 6-3, 215-pound tackle transfer from Santa Rosa CC, is also highly regarded.

Coach Levy's biggest defensive problem is to develop a top-caliber linebackers. Sophomores Jim Phillips and Mike Epstein, both fullbacks, look like good prospects to fill the roles.

Widest margin of victory for UCLA: 47 points (47-0 in 1957)

Widest margin of victory for Air Force Academy: '13 points (20-7 in 1959)

Terry Isaacson, a 5-10, 176-pound junior, holds the key to the Falcons' success on the gridiron this fall. As a sophomore halfback last season he led the Air Force in virtually every offensive department and wound up as the nation's 4th ranking punter.

Coach Ben Martin, needing a take-charge guy at quarterback, shifted Isaacson to the key spot during spring practice and he made the switch with little difficulty. It wasn't much of a change, since Isaacson operated out of the "T" both in high school and as a freshman.

Isaacson led the Falcons last season in rushing, number of carries, pass receptions, punting, punt returns and playing time. He will be especially effective on the option play under coach Martin's wing-T formation.

Although Martin is shy of an experienced fullback, he believes soph Larry Tollstam, 206, will develop into one of the best pile drivers in Falcon history. Also available in the backfield are veteran halfbacks Wilson Parma, Darryl Bloodworth and Nick Arshinkoff.

Two-year lettermen Carlton Simpson and Dick Brown are fighting off the challenges of John Puster and Joe O'Gorman, a couple of fine soph prospects, at the end positions.

The Falcons are also well bolstered at center with Dave Sicks, 205, and Joe Rodwell, 209. Both are converted backs,Sicks playing fullback as a frosh in 1960 and Rodwell was shifted from quarterback last season.

Coach Martin has his finest crop of sophomores this season and they showed outstanding progress last spring, especially the linemen. There's no doubt that his Falcons, as always, will be superbly coached and capable of beating any foe.

If Coach Jim Owens can develop a top-flight quarterback he will again have one of the outstanding backfields in the country. The Big Five coaches have gone on record as tabbing his Huskies as the team to beat in conference play.

Returning for his senior season at halfback is exciting Charlie Mitchell, a bona-fide All-America candidate. Also back is regular fullback Jim Stiger and they will team up with either Martin Wyatt or Bob Monroe at right halfback.

Because of his experience, Pete Ohler will have the first crack at the quarterback slot. But he will be pressed by Steve Maddocks, a vastly improved soph up from the redshirts. Ohler is a fine passer but lacks running ability; Maddocks does everything well, reminiscent of Bob Schloredt, who sparked the Huskies' recent Rose Bowl teams.

All told, the Huskies will have 23 lettermen back, 10 of whom started at least one game.

Standouts in the line are Ray Mansfield, 6-3, 235-pound center who has been a regular three years and Rod Scheyer, 6-2, 212-pound tackle. Both are so talented they are considered solid All-America material.

Actually, the Husky line is solid all the way through. The four returning lettermen at tackle averaged 287 minutes of playing time in 1961. There are also four vets back at end, led by Lee Bernhardi.

Widest margin of victory for UCLA: 39 points (39-0 in 1950)

Widest margin of victory for USC: 76 points (76-0 in 1929)

With all the key offensive players back from the frustrating 1961 season, Coach John McKay is understandably optimistic about Trojan prospects. Troy had an epidemic of crippling injuries and lost three games by a total of five points last season for a 4-5-1 record.

But the exciting shifting-T offense, installed in 1961, should hum along without the sputters this season. Key returnee is Big Ben Wilson, the pulverizing 215-pound fullback who was an All-Coast choice. He averaged 4.5 yards on 139 carries and will carry the brunt of the rushing load.

Back for their second season will be the three devastating "B" boys, quarterback Pete Beathard, halfback Willie Brown and end Hal Bedsole.

Beathard, 6-2 and 190, broke into the starting lineup as a soph and completed 40 of 83 passes for 484 yards and tacked on 290 yards rushing.

Brown, one of the most explosive backs in Trojan history, was injured much of 1961 but is tip-top once again. He was USC's second ranking rusher with 333 yards in 58 carries. He set a school record of 93 yards from scrimmage against SMU.

And Bedsole, a 6-5, 215-pound giant, had the most imposing record of all. He set a school record by catching 27 passes and two other seasonal toppers with 525 yards on passes and 6 touchdowns.

All told, USC will have 18 lettermen returning. Augmenting this list will be a host of promising junior college transfers, notably Larry Sagouspe, an All-America center at Chaffey and Gerald Kirner, a top tackle from Santa Monica.

Theres' little doubt the Redskins will be a passing club in 1962. Coach Ray Nagel, who did quite a bit of tossing himself for UCLA in the late forties, is loaded at quarterback with Gary Hertzfeld and Bill Cravens, the two top QB's from the 1961 squad, both returning. Also vying for playing time is Pokey Allen, a fine soph prospect.

Back at the key catching spot, right end, is Marvin Fleming, an All-Conference selection who is being boomed as an All-America candidate. The 6-5, 215-pound veteran can really snag the ball. He was an All-CIF basketballer at Compton High, Calif.

The Utes, who posted a 6-4 record in '61 with Nagel's interesting multiple-T attack, also have two top tackles in Dave Costa, a 245-pounder, and Pat Stillman, who started last year.

Utah will have one of the tiniest linemen in big time football, 5-6, 159-pound Ron Manno at guard. He's a dynamo, though, and handles his chores well.

There is plenty of experienced help at right half with two-year veteran Jerry Overton and Dan Spinazzola. The fullback slot is also well stocked with regular Bud Tynes and Doug Wasko, who was a standout the last half of the 1961 season.

Among the most highly regarded newcomers are Roy Jefferson, 6-2, 194-pound end from Compton; Jerry Miller, a fine blocking guard from Benicia, Calif.; Sam Wicks, a speedy halfback transfer from Harbor JC and Mike Davis, 209-pound fullback transfer from Riverside JC.

UCLA all-time record against Syracuse: 0-1
Widest margin of victory for Syracuse: 28 points (36-8 in 1959)

With only three returning starters back from the 1961 squad which compiled a 7-3 record plus a 15-14 win over Miami in the Liberty Bowl, Coach Ben Schwartzwalder faces a complete rebuilding job. But he welcomes the challenge.

Gone are Ernie Davis, Dave Sarette and the rest of the wrecking crew that won 26 out of 31 games the past three seasons. But the veteran mentor maintains, "We won't be outhustled by anybody."

The standout returnee is versatile John Mackey, a 6-2, 215-pound end who is expected to bid for All-America honors. He set a school record with 321 yards gained on 31 pass catches in '61. What's more, he's a fine blocker and exceptionally strong on defense.

Walt Sweeney, 6-2 and 225, is another starter back at end. Big and strong, he caught 9 passes for 137 yards last year, raced 50 yards with an intercepted pass against Nebraska.

Dave Meggyesy, 6-1, 215, is the other regular returning. He's been moved from outside tackle to left guard. A backfield star in high school, he has good speed, is tough on defense.

Top candidate for Davis' vacated left half spot is Bill Schoonover, 5-11, 200, a second team fullback last year. He missed three games with a broken hand.

Coach Schwartzwalder has plenty of junior linemen among his 22 lettermen. The team figures to gather steam by the end of the season—when it bumps into the Bruins.

UCLA fans still talk about the size, the speed and the talent of the 1959 Syracuse national champions—and they expect another big and tough band of Orangemen, the pride of the East, to invade the Coliseum for this season finale.

THUMBNAIL SKETCHES OF BRUIN PLAYERS

LEFT END (ALSO LEFT END ON DEFENSE)

JAMES (JIM) ARENS—Sophomore; 1961 freshman numeral winner as a starting end. He's fast, has good moves and is a good receiver. Will specialize on offense. Entered UCLA as winner of the 1961 Red Sanders Memorial Award. Was a three-year letterman in football under Coaches Paul Huebner and Gene Volnogle and baseball at Banning Hi in Wilmington, Calif. Also lettered two years on track team as hurdler-broad jumper. Was 1960 All-Los Angeles City end in football and 1961 All-City baseball pitcher. Served as Senior Class president. Lettered at UCLA last spring as a pitcher on frosh baseball team. Engineering major.

DAVID ANDREW (DAVE) COLE — Sophomore; 1961 freshman numeral winner at wingback. Moved to end last Spring. Has good hands and runs fine patterns. May play halfback on defense. Big handicap is lack of heft (170). Earned three varsity football letters at Mt. Carmel Hi in Los Angeles, two letters in varsity track. Was second team All-Catholic League in football. Also served as student body president and track captain. His grid coach was Walt Ambord. Engineering major.

GALE PATRICK HICKMAN — Sophomore; non-playing "Redshirter" last year; 1960 freshman numeral winner as starting wingback. Improved steadily and impressed as "Redshirter" last fall and also in Spring practice. Impersonated opponents' best receiver in scrimmages and was hard to stop. Has fine potential as receiver with good hands and also clever at finding openings. May play defensive halfback. Also lettered in rugby last season. Prepped at Belmont Hi in Los Angeles where he won two varsity football letters under Coach Felix Pennino. Won All-Northern League first team honors at end and also served as football captain and president of Varsity Lettermen's Club. Physical Education major.

HOWARD NORMAN (HOWIE) LUYT—Sophomore; 1961 freshman numeral winner at end. Rated a good prospect. Tough on defense, but lack of experience hampers him on offense. Has good potential as a punter. Lettered two years in varsity football at Narbonne Hi in Harbor City, Calif., under Coach Gordon Wells. Engineering major.

KENNETH DUANE (KEN) McINTIRE — Sophomore; non-playing "Redshirter" last year; 1960 freshman numeral winner as an end. Has all the equipment to become a fine all-around end. Calif. Also lettered two years in varsity baseball. Played in Breitbard Athletic Foundation prep game in San Diego. Undecided on major in College of Letters & Science.

MILLAN EARLE (MEL) PROFIT—Junior; one-year letterman, played 263 minutes, including 35 minutes in Rose Bowl game, last season; didn't play in 1960 due to a knee injury; 1959 freshman numeral winner as a starting end. Rated one of UCLA's outstanding performers, a Bruin with All-America potential. Played mostly on defense last year, but coaching staff well aware of his offensive potential and will go both ways in '62. He caught only 1 pass for 11 yards last fall, but in Spring practice was a prime target and in final game with Alumni caught 3 passes for 59 yards, including 2 brilliant TD receptions. Has perfect physique for an end, standing 6-5 and weighing 215. Figures to be the Bruins' No. 1 kickoff artist. Started 3 games last year. Besides playing 35 minutes in Rose Bowl, he also went 44 minutes against Ohio State and 36 against USC. Made several spectacular plays last season, including a blocked punt to set up field goal in Bruins' 13-3 loss to Ohio State, deflected a pass that was intercepted by a teammate which set up winning TD in 10-7 triumph over USC and a brilliant one-handed interception against Pittsburgh. Had a particularly big afternoon against USC Frosh in 1959. He caught 2 TD passes, booted 2 field goals (24 and 31 yards) and four conversions for 22 points to lead the Brubabes to a 35-12 victory. Also lettered as the frosh starting basketball center in 1959-60 season. Was a four-sport letterman at Camden Hi in San Jose, Calif., lettering four years each in football and basketball and two years in track and baseball. Won all sorts of honors in both football and basketball, including All-City, All-League and All-Northern California. Was named on the 1959 All-American prep basketball first team. Was a starting end for the North team in the 1959 North-South Shrine prep classic in L.A. Coliseum. Served as football and basketball captain during senior year. His grid coach was Junior Morgan. Physical Education major. He either wants to coach or become a sportswriter. Phi Gamma Delta fraternity.

LEFT TACKLE (RIGHT TACKLE ON DEFENSE)

ANTHONY FRANK (TONY) FIORENTINO—Senior; two-year letterman, played 217½ minutes, including 15½ in Rose Bowl, last season, and 93½ minutes in 1960; non-playing "Redshirter" in 1959. As the only returning letterman at this position, he figures to come into his own as a standout starter. He's been

playing behind such top stars as Foster Andersen and Steve Bauwens the past 2 years. Has tremendous natural ability, fine speed and is strong and powerful. Looks ready for banner senior campaign. Started 2 games last season. He's the younger brother of Frank Fiorentino, an All-Coast guard for USC who played in 1956-57-58. Lettered in both football and track at Fresno (Calif.) City College where he was All-League and "Most Valuable Player" on football team. Was a three-sport letterman at San Joaquin Hi in Fresno, lettering four years each in football and track and two in swimming for 10 letters in all. Won All-League and All-City grid honors under Coach Morrie Pratt. Physical Education major.

KENT FRANCISCO—Sophomore; didn't compete last year and missed 1960 freshman season when he was sidelined during the opening week of practice by an injury. Rated a fine prospect. One of the heaviest men on the squad at 235 pounds. Needs improvement in lateral movement technique but considered strong enough for lots of action on defense. Prepped at San Rafael (Calif.) High where he lettered three years in football and track and two is basketball. Was All-Northern California in football and represented the North in the Shrine game in the L.A. Coliseum. His grid coach was Dick Read. Pre-Law major. Delta Sigma Phi fraternity.

HERBERT KEITH (HERB OR DEACON) QUINCY—Junior; one-year non-letterman, played 38½ minutes last year; non-playing "Redshirter" in 1960. Saw brief action in 9 of 11 games last season, but not enough to earn letter. A hard luck guy, he has missed last two Spring practices due to injuries, a knee injury in 1960 and broke a leg in an auto accident last Spring. Converted from guard to tackle this season. Exceptionally strong, especially straight ahead. Best on offense. Lettered in football one year at Pierce Junior College in Woodland Hills, Calif., before enrolling at UCLA. Lettered in football and track at Birmingham Hi in Van Nuys, Calif. His grid coach was Jack Goff. He's a Psychology major and plans to become a minister. Beta Theta Pi fraternity.

LEFT GUARD

(RIGHT LINEBAKER ON DEFENSE)

RICHARD PIERCE (DICK) ALLEN—Senior; two-year letterman, played 189½ minutes last season and and 78½ as a sophomore in 1960. Very alert and always hustling, he's exceptionally fast for a guard. Also impressed as linebacker last Spring. Showed great improvement last season. Tab for banner senior campaign. Was a star 1959 lineman at Valley Junior College in Van Nuys, Calif., winning All-Metropolitan Conference honors and All-America JC honorable mention. Lettered two years in football at North Hollywood (Calif.) Hi

under Coach Johnny Sanders, winning All-Valley League honors. Production management major in College of Business Administration. Phi Kappa Psi fraternity.

PAUL ALBERT CHAVIRA—Sophomore; non-playing "Redshirter" last year. One of the most mature players on the squad, graduating from Franklin Hi in Los Angeles in 1956. Transferred to UCLA last September from East Los Angeles JC where he lettered in football one year. Previously he had been in the Air Force for 3 years and won All-Air Force grid honors in the Pacific Theater in 1958 and '59. He's fast, strong, and diagnoses plays well. Figures to play mostly as a defensive guard. Has fine attitude and is rated a good prospect. Won three football letters at Franklin Hi under Coach Frank Hess. Won All-Northern League second team honors in 1956 and also was the team's co-captain. Physical Education major.

FRANK ROBERT (PAT) PATRICK—Junior. Transferred to UCLA last February from Hancock (Calif.) JC where he played football for past two seasons. Proved to be fastest guard on squad during Spring practice. Has run 100 in 10.3. Pulls out of line to lead plays very well. Looks like a real comer. Named on Williamson JC All-American team in 1961 as Hancock won Central Conference title for second straight year. Has dreamed of attending UCLA since childhood. Lettered three years in both football and track and two years in wrestling at Army & Navy Academy in Carlsbad, Calif. Was voted the academy's "Outstanding Athlete" in 1959. Also won All-Southern Prep League honors in both football and track. His grid coach was John Mauffuci. Political Science major.

GARY MOYER SCRIVENS—Junior; non-playing "Redshirter" last year. Transferred to UCLA last September from Los Angeles City College where he won letters for two years in football, track and wrestling. He was the 1961 California State JC wrestling champion. Missed Spring practice because of knee operation. This stocky (5-10, 195) athlete is both strong and fast. Lettered in four sports — football, basketball, wrestling and track—at Powers (Oregon) Hi. Was Oregon prep shot put champion and also placed second in pole vault. Was captain of football and track teams. His grid coach was Del Dungey. Physical Education major.

JOHN C. WALKER—Junior; one-year letterman, played 231½ minutes last year, the most of any sophomore as a blocking back (qb) and linebacker. Was voted the co-recipient of the Bruin Bench Award as UCLA's "Rookie-of-the-Year" for 1961. Here is one of UCLA's most hard-nosed and capable football

players. He's been moved around the past year but only by the coaching staff. Played tackle in both high school and junior college. Was first a center at UCLA before being shifted last fall to blocking back. Now with the advent of the T-formation at UCLA, he will play left guard offensively and right linebacker on defense. Quick and strong, he has all the qualifications of a truly outstanding football player. Started 2 games last season. Intercepted a pass and returned 36 yards for a TD against Stanford. Caught 1 pass for 11 yards. Grabbed 2 kickoffs and came back a total of 34 yards. Lettered one year in football at Pierce JC in Woodland Hills, Calif. Won 1960 All-Western Conference second team honors at tackle. Lettered in football three years and track one year at Reseda (Calif.) Hi. Won 1959 All-City first team honors and All-America prep honorable mention under Coach Roy Jae. Was 1959 football captain. Health Education major. Delta Tau Delta fraternity.

CENTER (LEFT LINEBACKER ON DEFENSE)

JAMES R. (JIM OR BERGIE) BERGMAN—Senior; two-year letterman, played 96½ minutes last season as a blocking back (qb) and 71 minutes in 1960; freshman numeral winner as starting blocking back in 1959. Shifted from blocking back this Spring and figures to be a defensive specialist. Rated a good linebacker. Very quick, smart, diagnoses plays well and smacks hard. Lettered three years in football, two in swimming and one in baseball at Banning Hi in Wilmington, Calif. Was an All-Marine League guard in senior season under Coaches Paul Huebner and Gene Volnogle. Also was student body president. Won the Robert Robinson Memorial Award, a top UCLA Alumni Assn. academic scholarship, as an incoming freshman. Engineering major. Beta Theta Pi fraternity.

PRENTICE LEE O'LEARY—Sophomore; non-playing "Redshirter" last year; 1960 freshman numeral winner at blocking back (qb). Made surprising showing in Spring practice, both offensively and defensively. Is quick, has fine instincts and excellent attitude. Naturally talented at diagnosing plays. Lacks experience but should come fast latter part of season. Won All-Central California grid honors under Coach Dave Strong. Served as president of Student Council and also head yell leader. Also was football captain and twice "most valuable player" on team. PARK Q. WRAY—Sophomore; 1961 freshman numeral winner as a blocking back (qb). Lack of experience will be big drawback this season. He's strong enough, however, to handle end duties. Lettered in football and baseball three years each and basketball one year at Sequoia Hi in Redwood City, Calif. Won All-South Peninsula Athletic League honors in football. Also served as student body president and baseball captain. His grid coach was Joe Marvin, former UCLA halfback. Psychology major.

QUARTERBACK (SAFETY ON DEFENSE)

CARL EUGENE JONES—Junior; non-playing "Redshirter" last season. Off fine spring practice in which he impressed coaching staff as good passer and good runner, he looms as the man to beat out for starting T-formation quarterback spot. Has inside track at starting job but must prove self under fire as, after all, has no varsity experience. Also played T-QB in impersonating opponents on "Redshirt" squad all last season. Transferred to UCLA from Los Angeles City College last September after lettering there two years, one as a T-QB and the other at left half. Also lettered in baseball two years and basketball one year at LACC. Won All-Western States Conference second team grid honors in 1960. Also was a T-QB in high school. Lettered 4 years in football and baseball and 2 years in basketball at St. Augustine Hi in Memphis, Tenn. Carl came to UCLA because "it has been my ambition to attend UCLA since I was a kid." Physical Therapy major.

WILLIE EZELL (EZELL) SINGLETON — Senior; two-year letterman, played 169½ minutes last season, including 15 in Rose Bowl game, and 50½ minutes in 1960. Although he missed Spring practice to compete in baseball, Singleton is rated a top candidate to be the starting T-QB this fall. Will have to prove self mainly as a runner this fall. Has been a left half (tailback) in Single Wing for past two seasons. Used as a spot player offensively, mainly as a passer, and a defensive safetyman during past two years. Last season, he led the team in punt returns (8 for 136 yards) and tied for the lead in pass interceptions (2 for 17 yards). A versatile baseballer, he doubled up as both the Bruins' star shortstop and a fine pitcher this spring. Also served as baseball co-captain. He won All-Eastern Conference honors in both sports. Won eight letters in football, baseball and basketball at San Diego (Calif.) Hi. Was All-CIF in both football and baseball. including 5 in Rose Bowl game; one-year non-letterman, playing 18½ minutes as a sophomore tailback in 1960; 1959 freshman numeral winner as the starting tailback and honorary team captain. After starting out as a tailback last year, he was soon moved to wingback (right half) where he played behind Kermit Alexander on offense but was used mostly on defense. Can play either defensive halfback spot or safety. Considered the most rugged of the quarterbacks, runs and blocks hard. Working on development of poise as a passer. Last season, he carried the ball only 7 times but averaged 10.28 yards per carry, the best on the team. Broke loose for 41-yard run against Michigan to set up UCLA's only score. Also caught 3 passes for 24 yards last season. Lettered in both football and baseball (second base) and won Student-Athlete Award at Loyola Hi in Los Angeles. Won All-Catholic League and third All-CIF honors under Coach Lew Stueck. Also captained his football team. Economics major. Beta Theta Pi fraternity.

LAWRENCE ERNEST (LARRY) ZENO — Sophomore; 1961 freshman numeral winner as the starting tailback. Here is a fine prospect who needs only experience to fit into the Bruin pigskin picture. He's an excellent long passer. Although he impressed as the star frosh tailback last season, he figures to be more at home at T-QB spot which he played at Arcadia (Calif.) Hi in senior year and at Waltham (Mass.) Hi in soph and junior years. Led Arcadia Hi to Pacific League title and was voted League's "Player-of-the-Year" and earned All-CIF honors. At Waltham Hi was coached by his father, Joe, who was a guard on the Washington Redskins pro team in early 1940's, and won All-State honors. Larry came to Arcadia when his Dad got a job as assistant coach there. Father now head football coach at Santa Paula (Calif.) Hi. Larry also was three-year letterman in baseball, at both prep schools, and hopes to wind up as a major league pitcher. Younger brother of Joe Zeno, UCLA senior fullback this season. winner as starting tailback. Although he missed some of spring practice, including Alumni game, because of injuries, he figures to operate effectively in the T-formation. He played behind All-Coast Bob Smith at tailback last year, but still wound up as the top AAWU and UCLA top ground gainer. In fact, he became the greatest UCLA sophomore ground gainer in history, with his 696 yards in 107 carries for a 6.52 average during the regular season surpassing the previous Bruin soph record of 597 yards by Paul Cameron in 1951. He added only 7 yards on 5 carries in Rose Bowl game. Also was runner-up to teammate Smith in both conference and Bruin total offense statistics and scoring. He scored 8 TD's for 48 points and added 231 yards by passing to his 696 by rushing for a total offense aggregate during regular season of 927 yards, only 9 yards off Smith's top total. In three games, he gained over 100 yards by rushing, topped by 157 on 17 carries against Vanderbilt, 120 on 27 carries against Pittsburgh and 119 on 24 carries against California. His longest TD run was for 63 yards against Vanderbilt. He also sped for 61 yards against USC on a non-scoring run. His running overshadowed his passing in which he completed 14 of 34 tosses for 231 yards and 1 TD. Haffner punted only twice during the season but had a 44-yard average. This rangy (6-2, 187) ball toter has a deceptively long stride that eats up the yards. He's especially adept at hitting holes at opportune time. With his keen running instinct and natural improvement, he could develop into one of the best running backs in UCLA history. Definitely a candidate for all sorts of honors. Last season, he was selected to the All-AAWU, AP and UPI All-Coast second teams and also received AP All-American honorable mention. He was the co-recipient of UCLA's "Rookie-of-the-Year" award. Was a four-sport letterman at Baldwin Park (Calif.) Hi in football, basketball, track and baseball and won All-League honors in each of the four sports. Also won All-San Gabriel Valley honors in football and basketball. Was football and basketball captain. His grid coach was Bobby Musick. Physical Education major. Phi Kappa Psi fraternity.

DAVID ROBERT (DAVE) HOWARD—Sophomore; non-playing "Redshirter" last season. Transferred to UCLA from Valley (Calif.) JC in September of last year. Business Administration major.

KERMIT JOSEPH ALEXANDER—Senior; two-year letterman, played 408½ minutes last season to lead the Bruins in this "ironman" department, topped by 53 minutes against USC and 51 against Minnesota in Rose Bowl, and 75½ minutes in 1960. Rated one of the best all-around backs in UCLA history. He's equally brilliant on offense or defense. Fastest man on squad, is sprinter, broad jumper and hop-step-jumper on track team. To show his versatility, he also received the Paul I. Wellman award last season as the Bruins' "best blocker and tackler." As a defensive halfback, he comes up for many tackles on scrimmage line and is always a dangerous threat to intercept passes. Also was UCLA's No. 1 pass receiver with 14 receptions for 297 yards and 1 TD. The touchdown came on a spectacular 63-yard play against TCU. Was the team's fourth leading rusher with 213 net yards on 40 carries for a 5.32 average and 2 TD's. Led the Bruins in rushing in Rose Bowl game with 48 yards on 10 carries. Also led team in kickoff returns with 9 for 188 yards and a 20.88 average, including a 33 yarder in Rose Bowl. Was the Bruin's No. 2 punt returner, averaging 17.12 yards on 8 returns. Against Stanford, he raced short field goal attempt back 94 yards for a new UCLA punt return record. HISTORY OF UCLA

UCLA was founded at just the right place at just the right time—Los Angeles in 1919, at the beginning of an era of explosive growth.

Business, industry and government had begun to feel the need for men and women with high-quality university educations, and the University of California, Southern Branch (as UCLA was then called) took up the challenge.

So vigorously did it take up the challenge that less than five years after its founding, the new school began to feel cramped in its tiny Vermont Avenue campus.

A new campus was chosen amongst the lonely bean fields and live oaks in Westwood, on the foothills of the Santa Monica Mountains within sight of the Pacific Ocean, and by 1927 mule teams and tractors were busy leveling the ground. Today UCLA's beautifully landscaped 411-acre campus is a busy center of the arts, study, research and extracurricular student activities. It is also a beehive of construction.

Despite high entrance requirements (which only about 12.5 per cent of high school graduates can meet), its enrollment has mushroomed to 19,900 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the seven campuses of the state university, which is headed by President Clark Kerr.

Dr. Franklin David Murphy, 46, is Chancellor at UCLA. He heads a teaching and research staff of 2,638 and a full-time non-teaching staff of 2,813.

There are now 69 instructional departments, 13 schools and colleges, the Graduate Division, and several other divisions of instruction and research.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $120,000,000 building program has been underway, to meet the ever-increasing enrollment. The number of buildings has more than doubled since the end of the war and a campus to accommodate 27,500 students by 1967 is being planned.

The library at UCLA, with its 17 branches contains 1,500,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in the quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same material and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single facet about the Los Angeles campus, the University has also grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

DR. FRANKLIN D. MURPHY
UCLA Chancellor

Although he has been chancellor at UCLA only a little more than two years, Dr. Franklin D. Murphy has already firmly established himself in the Los Angeles community as an energetic doer as well as a thinker and planner.

In addition to discharging his obligations as head of a ranking educational institution, he has found time to participate in many community activities, serving, for example, on the board of the projected Los Angeles Art Museum and as a director of the California Museum of Science and Industry.

At 46, Chancellor Murphy has already had an extensive administrative career in education, having spent three years as Dean of Kansas University's School of Medicine and eight as KU's Chancellor before coming to UCLA in 1960.

Important elements in Chancellor Murphy's background are these:

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania. During World War II he served in the U.S. Army Medical Corps doing research work on malaria.

2. He has a broad international background. This includes the chairmanship of the United States Advisory Commission on Educational Exchange of the Department of State, the Ford Foundation Committtee on University and World Affairs, and the chairmanship of the Executive Committee of the Council on Higher Education in the American Republics.

3. He has been sympathetic toward enlightened business and industry, serving on the Board of Trustees of such enterprises as Hallmark Cards, Inc., and the First National Bank of Kansas City.

4. He has been a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancement of Teaching, the National Council of the Boy Scouts of America, and the Menninger Foundation.

The chancellor's interest in sports dates back to the days when he was an all-interscholastic quarterback in Kansas City. He is a frequent spectator at UCLA football games and an ardent fan of all kinds of sports.

Chancellor Murphy is married to the former Judith Joyce Harris, of Kansas City and graduate of Vassar; and they have four children, Judith Joyce, 19; Martha Alice, 18; Carolyn Louise, 13; and Franklin Lee, 11.

DR. BRADFORD A. BOOTH
Faculty Athletic Representative

This is Dr. Bradford Booth's second stint as UCLA's faculty athletic representative; he previously served for three years, 1958-60, and now succeeds Dr. Thomas L. Jacobs who held the post in 1961.

A professor of English and an enthusiastic sup-

porter of intercollegiate athletics, Dr. Booth claims an attendance record of missing only one home football game in the 26 years he's been at UCLA. "And I wouldn't have missed that game if I hadn't been out of state," he says.

At the spring meeting of the AAWU, he was elected conference president.

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and PhD. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum. Dr. Booth is the author of many books in the field of Victorian literature, including "Anthony Trollope: Aspects of His Life and Art." He is editor of the scholarly journal, "Nineteenth-Century Fiction" and is nearing completion of a five-volume edition of "The Letters of Robert Louis Stevenson," which was supported by a 1961 Guggenheim Fellowship.

Dr. Booth's first teaching job was at the University of Tennessee where he taught English for one year before coming to UCLA in 1936.

Though he enjoys watching all Bruin sports, he is an active participant in tennis and golf. He holds the distinction of being the only male in his family, being happily surrounded by his wife, Josephine, and his three daughters, Barbara, 20, Celia, 17, and Carol, 12.

WILBUR C. JOHNS (UCLA '25)
Director of Athletics

Wilbur Johns has been identified with UCLA for four decades, the last 16 years as director of athletics.

Wilbur was a student and athlete from 1921-25 and as coach from 1925-48 before starting his present tenure in 1947. Johns has served the NCAA in many capacities, including current membership on its executive committee. At present he's chairman of the special NCAA committee on AAU Relations and Olympic Organization. This group is spearheading the drive for formation of new national federations in basketball, track and gymnastics.

Wilbur's varied contributions to UCLA were duly recognized in 1955 when he received the coveted "Alumnus-of-the-Year" award.

He was head Bruin basketball coach for nine seasons, 1940-48. His teams won the 1945 and 1947 PCC Southern Division titles. Previously, he served as assistant cage coach to Caddy Works and as head frosh coach. He lettered in basketball, tennis and swimming, including the captaincy of the 1925 Bruin basketball varsity.

Wilbur started his athletic career at Glendale (Calif.) High, starring in basketball, baseball and tennis. A broken arm in two successive football seasons cut short his dreams of becoming a gridiron hero.

He's married to the former Idelle Robelen. They have a daughter, Peggy, and a son, Mike, 13. Wilbur is also the proud grandfather of Dennis, 7, and Jennifer, 4½, his daughter's children.
